CareerFoundry

UI Immersion Program | 2020- 2021

The program covered mainly UI Design (User Interface Design) with a secondary focus in UX Design (User Experience Design) and particular attention to the creation of mobile apps and web apps. During the final Frontend Specialization I have also learnt the basics of HTML, CSS and JavaScript.

Interaction Design Foundation

Gestalt Psychology and Web Design: The Ultimate Guide | 2020

The Ultimate Guide to Visual Perception and Design | 2020
